**Hoan Thanh Nguyen, Director, Financial Services Assurance, PwC Singapore**

Hoan Nguyen is a director in our Financial Services Assurance practice of PwC Singapore. He has over 12 years of experience providing a broad range of services to traditional and alternative asset managers in Singapore, including real estate, private equity and hedge. Hoan has a deep understanding of the processes and operations of fund managers, as well as a variety of fund structures, strategies employed and the key local regulatory obligations that apply to licensed and registered fund managers in Singapore.

Over the course of his career he has been involved with the audit, internal audit, controls attestations, compliance reviews and regulatory advisory engagements for asset managers. He has also worked with both local and global/regional managers. Hoan leads a team within Financial Services Assurance as a subject matter expert on the execution of our Regulation 13 Internal Audit engagements for fund managers in Singapore. Accordingly, Hoan is able to add value through his sharing of leading market practices in matters ranging from operations and finance to compliance. He is also able to provide broader advice across a fund manager's corporate function as well as its funds covering a wide breadth of subject matter from accounting and reporting to regulatory compliance.
