**Credit Derivatives & Credit Risk**

**Opportunities in New Equity Products**

**Clearing & Settlement**

**Risk Management**

**Developments in Asian Currency and Bond Markets**

**Electronic Trading: looking back/looking forward**

**Dear Delegate,**

Welcome to FOW's 11<sup>th</sup> event in Singapore. As with our other recent major events, this year's show highlights the expansion of our coverage to include securities as well as the derivatives business in which we have been a leader for more than two decades. This year, we additionally benefit from our partnership with MAR Hedge by running the MAR Hedge International Conference alongside our unique exhibition which provides an opportunity to view the latest business enhancing technologies and services on offer in one place.

In recent years, derivatives, which themselves emerged from underlying markets such as securities, commodities and foreign exchange, have increasingly become a more fundamental and integrated part of financial markets. Our event offers an insight in to such developments, with representatives of the world's largest securities and derivatives exchanges sharing their experiences of pioneering services and disciplines spanning both the cash and derivatives markets.

Asian markets have witnessed a surge in interest from global market participants of late, and our seminar programme will also provide an overview of the impact these growing markets have on the global environment. Meanwhile, our seminars and roundtables will also offer practical views on the front, middle and back office environments for a range of markets.

We hope you enjoy the show!

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Emma Davey', with a stylized, flowing script.

**Emma Davey, Editor-in-chief**

**Derivatives & Securities World-Singapore is an unmissable event for those with an interest in the Asia-Pacific financial markets.**

This year's event offers:

- Wide-ranging and up to the minute seminar topics with high quality international speakers.
- A 2½ day exhibition which showcases the latest business enhancing technologies and services.

Seminar sessions are always popular so book now on-line at [www.fow.com/events/singapore](http://www.fow.com/events/singapore) to confirm your place.

Sessions are free for qualifying professionals – see Registration Form for further details.

**The exhibition will be open at the following times:**

Tuesday 19 October 09.00-18.00

Wednesday 20 October 08.30-18.00

Thursday 21 October 08.30-13.00
