[MPFA chief says scheme is failing to deliver](#)

[Watch out for the stampede](#)

About Us

Asia Asset Management magazine is a monthly publication focused on the institutional fund markets in the Asia Pacific region. Widely read by finance professionals, Asia Asset Management has established an influential position within the Asia Pacific institutional market place. The publication was launched in December 1995.

Asia Asset Management also plays hosts to a series of Roundtables where pension funds, trustees, regulators and service providers gather to discuss issues affecting the industry. These events have also proved to be key contact points. To learn more about AAM Roundtables, click [here](#).
