

New Q&As Posted on the GIPS Website

19 new Q&As have been added to our database providing additional guidance on the 2010 edition of the GIPS standards and Error Correction. These Q&As address topics such as early adoption of the 2010 edition of the GIPS standards, valuation, and risk, among others. Firms are reminded that compliance with the GIPS standards also includes adherence to all Q&As and other guidance. The new Q&As can be found by searching the [GIPS Q&A database](#) for a key word or for all entries dated after April 2010.
