Opinion

A double-edged sword

It is estimated by fund managers that more than US\$2 billion in foreign institutional capital could flow into Middle East equities this month when the United Arab Emirates and Qatar, two of the region's deepest markets, are upgraded to Emerging Markets status by MSCI...

Middle Eastern promises

The oil-rich Persian Gulf is likely to see increased inflows of global institutional capital in 2014 on the back of resurgence in local equities indexes and an expected boom in infrastructure spending, according to the region's fund managers...
