

GIPS Annual Conference and Workshops

The [GIPS Standards Annual Conference](#) is scheduled for Thursday and Friday, 18-19 September 2014 in Boston. The GIPS Standards Annual Conference is the only conference of its kind focused on the implementation and application of the GIPS standards. Subject matter experts share best practices and speak to the key issues and major developments in performance measurement, making this conference essential for any performance or compliance professional. Gain a general understanding of investment performance standards and measurement techniques, learn about recent and/or proposed changes to the GIPS standards, understand how to ensure that your firm maintains compliance, and meet other performance specialists from around the world.

Register early! Save US\$200 by registering for the GIPS Standards Annual Conference by Wednesday, 20 August 2014.

A [GIPS Standards Interactive Workshop](#) is scheduled for Wednesday, 17 September 2014 in Boston. The workshop will help participants master the requirements of the GIPS standards, including composite construction, performance calculation, and the creation of a compliant presentation.

The [Fundamentals of Performance Measurement and Attribution Workshop](#) is also scheduled for Wednesday, 17 September 2014 and will provide skills immediately useful in your work and offers a thorough understanding of the fundamentals of performance measurement with practical lessons for beginners and experienced analysts alike. Following a highly interactive small-group format, participants will be guided through a wide range of frequently used attribution, risk, and benchmark-analysis methods and reinforce them with live calculation exercises.
